

Diversity Works
New Zealand is here
to support, advise and
inspire New Zealand
organisations to be
better-by-diversity.

We help our
members create:

Diversity & Inclusion

Inclusive workplaces that respect
difference and value the diverse qualities
that people bring to their work.

Workplace Wellness

Workplaces that embrace the principles of
worklife balance, flexible working and take
steps to empower employee wellbeing.

Safe Organisations

Organisations that support
people, actively promote inclusion and
prevent bullying and discrimination.

HELPING
KIWIS BE
BETTER-BY-
-DIVERSITY

**DIVERSITY
WORKS**^{NZ}

MEMBER SERVICES

Beyond helping you simply understand the diversity opportunity and the myriad ways in which you might benefit, we have people available to assist you to integrate diversity into the very foundation of your organisation and measure the outcomes.

In joining us as a champion of diversity, we can help you on your way to better outcomes with:

BETTER UNDERSTANDING

We help Kiwis understand the diversity opportunity - and the way it can shape an organisational culture for the better!

Come to events and training

We aim to raise awareness of issues and to stimulate debate through our regular events and workshops.

Hear best-practice case studies and be inspired by the outcomes others have achieved.

Do a diversity stocktake

Where are you on your diversity journey? Do a stocktake of your current business practices and find out.

Make use of our resources

Diversity Works New Zealand have a full library of international reference material and books available for perusal. Members can also use our online resources.

Access research findings

We conduct a national bi-annual survey to gauge the issues organisations are facing and track how these change over time.

*The NZ Diversity Survey** is carried out biannually in conjunction with the New Zealand Chambers of Commerce and New Zealand Work Research Institute at AUT.

*Check out the research section on our website

BETTER INTEGRATION

Our services are designed to help you practically 'integrate' diversity into your policies and procedures

Advice and consultancy

A consultancy service is available for those members who need further assistance integrating diversity at policy and procedural levels.

Tools and resources

A series of practical tools and templates are available.

Attend our Diversity Summit

Learn how to integrate diversity from those in the know. Hear international and local case studies, global trends and benchmarks.

Customised training

Leading facilitators can assist with customised training where required at your workplace.

BETTER OUTCOMES

Our member' stories are testimony to the fact that 'diversity works'! Be inspired by their results...

Enter our Diversity Awards

The annual New Zealand Diversity Awards recognise and celebrate those who embrace diversity and inclusion and harness it for better outcomes!
